

quarterly by each SESA shows the amount of benefits that should be charged to each Federal employing agency. The Employment and Training Administration uses this information to aggregate the SESA quarterly charges and submit one official bill to each Federal agency being charged. Federal agencies then reimburse the Federal Employees Compensation (FEC) Account, maintained by the U.S. Treasury.

II. Current Actions

This collection continues to be needed to assure that the provision of the law are met regarding the requirement that each federal agency meets its obligations for paying its unemployment compensation costs and to assure that SESAs are reimbursed properly for their expenditures of UCFE and UCX benefits on behalf of the Federal agencies.

Job Corps Enrollee Allotment Determination; Comment Request; Notice

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed

and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the proposed reinstatement collection of the Job Corps enrollee Allotment Determination.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before September 24, 1996.

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * Enhance the quality, utility, and clarity of the information to be collected; and

- * Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
